IOLA FOOD PANTRY UPDATE

Our church will begin leading and hosting the Iola Food Pantry In June. **Saturday, June 17, from 9-11 AM**, will be our first time to facilitate the food pantry here at our church.

An insert is provided today for you to look through the different roles and responsibilities that are needed in order to conduct the very best food pantry possible. Indicate which of these roles you would like to participate in, and our food pantry team will contact you. Thank you, church family, for opening up your hearts to the people of Grimes County.
